# The People in Haiti Need Our Help

## Commissionaires invites you to join the earthquake relief cause

In response to the devastation in Haiti, Commissionaires, in partnership with The Humanitarian Coalition, urges you to help.

The Humanitarian Coalition is a network of four Canadian NGOs (Care Canada, Oxfam Canada, Oxfam-Quebec and Save the Children Canada funds) with feet on the ground in Haiti right now and committed to ensuring the maximum dollar gets to providing food, water, and first aid supplies to those in need.

Many of our commissionaires have worked overseas in humanitarian efforts during their former military or police careers and know how critical Canadian response is to save lives and rebuild communities.

We encourage you to make a donation. To access Commissionaires' donation page go to [www.commissionaires.ca](http://www.commissionaires.ca) and select DONATE NOW. Or mail a cheque to The Humanitarian Coalition, c/o IIAC 11 King Street West, Suite 1600 Toronto, ON M5H 4C7 and please note 'Commissionaires' on the back of your cheque.

All donations to The Humanitarian Coalition will be matched by the Government of Canada. Tax receipts are available for contributions of \$10.00 and above.

**Thank you for your support.**
