Smile File

An elephant was drinking out of a river one day, when he spotted a snapping turtle asleep on a log. So, the elephant ambled on over and kicked the turtle clear across the river. "What did you do that for?" asked a passing giraffe. "Because I recognized it as the same turtle that took a nip out of my trunk 50 years ago." "Wow, what a memory" commented the giraffe. "Yes," said the elephant, "I've got the gift of turtle recall".
