“Honest Conrad, I was just driving by”

Commissionaire Mark Pirozek, a Mobile Enforcement Commissionaire with the WPS By-law Enforcement Detachment was conducting his normal duties on the Evening of Monday, 9 August 2004. Cmre Pirozek was proceeding down Waterfront Drive which skirts CanWest Global Park, windows open, enjoying the evening breezes. Winnipeg Goldeye centre-fielder, Amaury Garcia, chose that moment to launch a two run homer out of the park. Out of the park and into the Commissionaire’s jeep! “It scared the (expletive) out of me.” Said Mark, who brought the ball back to the park to have it autographed.

Just for Laughs

Customer: “Excuse me, do you serve breakfast here?”

Waitress: “Sure; what’ll it be?”

Customer: “Let me have watery scrambled eggs... and some burnt toast...and some week coffee, lukewarm.”

Waitress: “whatever you say.”

Customer: “Now, are you doing anything while that order is going through?”

Waitress: “Why....no.”

Customer: “Then would you do me a big favor? Sit right down here and nag me awhile... I’m homesick!”

Kids today are very independent, but I notice many of them are graduating with a Ph.D. Pa’s Help and Donations.

Many say they can do the same things at 65 that they did at 30. Only now, they take a nap after each do.
