Greetings from the Chair

It is with confidence and anticipation that I assume the role of Chair from my predecessor, Bob Siemens - confidence that the organization is exceptionally well managed, with a proud history of professionalism and service, and anticipation of continued success. As a member of the executive committee for the past 14 years, I have developed a deep appreciation and respect for the high level of professionalism and commitment that is demonstrated daily by our members - from the pride with which the uniform is worn, to the courtesy that is extended to members of the public and those whom we serve.

As some of you may know the Past Chair, Bob Siemens, has assumed a new and larger role with the Commissionaires as the new National Chair. On behalf of the entire Board and the Commissionaires, I wish to thank Bob for his dedication and commitment to the Manitoba & North Western Ontario Division and wish him all the best in his new capacity. I know that he will represent us well.

I look forward to serving you as the Chair of the Board of Governors.

Sincerely,

Sue Kathler, B.A., CD, SSStJ
Lieutenant-Colonel (Retired)
Chair
