Kudos

Recently there was a no-notice security evaluation done at 17 Wing Winnipeg. Following the "visit" the evaluation team leader advised that a rating of "excellent" was achieved. A letter of thanks was forwarded to the Division Office from the Wing Commander. Congratulations to all Commissionaires who contributed for a job well done!

More Kudos

The following is an e-mail from one of our clients, Cancer Care Manitoba.

Hi Jeff,

Just thought you should know about something that Wilf (Gustys), the security guard did yesterday that was definitely above and beyond duty. Melanie had received a call that one of our staxis (wheelchair) was found at Broadway and Spence! A good person in the community was keeping it locked up until we could retrieve it.

Mel mentioned this to Wilf, who, on his own time, after his shift here, took the bus to Broadway, picked up the chair and rode back on the bus with it. The staxi is worth \$1,100, so we are thrilled to get it back.

I can't say enough about some of the people who work here; truly amazing.

Kathy

Truly, Above and Beyond! Wilf Gustys is our site supervisor at Cancer Care Manitoba.

The broken mower

When our lawn mower broke and wouldn't run, my wife kept hinting to me that I should get it fixed. But, somehow I always had something else to take care of first, the truck, the car, playing golf - always something more important to me.

Finally she thought of a clever way to make her point. When I arrived home one day, I found her seated in the tall grass, busily snipping away with a tiny pair of sewing scissors. I watched silently for a short time and then went into the house. I was gone only a minute, and when I came out again I handed her a toothbrush. I said, "When you finish cutting the grass, you might as well sweep the driveway."

The doctors say I will walk again, but I will always have a limp.

Moral to this story: Marriage is a relationship in which one person is always right, and the other is the husband.
