A MESSAGE FROM YOUR CEO

One of my first experiences as CEO was to welcome a class of 12 candidates for the Commissionaires Qualifying Course. Just a few days ago and 250 candidates later, I had my last opportunity to speak to a class.

As always I asked the class to identify the attributes that define us as security professionals. As always I reminded the class that our reputation for excellence remains rooted in the day to day efforts of our members. It is our proud accomplishment that we fulfill our brand tagline.....

“ TRUSTED EVERYDAY EVERYWHERE ”

I came to my position as CEO, proud of the Corps and its endeavours. I believed then that I was joining a great organization. Today I leave my position strengthened in that belief.

Leaving is made easier, knowing that Tom Reimer will succeed me. As Director of Operations, Tom has already made a distinguished contribution to the Corps. His knowledge, personal strengths and dedication will serve the Corps well. Along with you, I wish Tom every success.

Traditionally at this time of year we extend thanks and best wishes among family and friends, In the best traditions of the Corps, we are all family. I want to take this opportunity to thank each and every one for your support and to wish one and all a Happy Holiday Season and a great New Year.

À la prochaine, commissionnaires.

MESSAGE FROM THE CHAIRPERSON

That wonderful time of year has come around again – Christmas -. It is the time of year when we draw nearer to family and friends. It is a time for reflection on those great old memories and the making of new ones. It is a time for thankfulness for this great country we have the privilege to live in. When Christmas is over then along comes the New Year. We are then presented with a new chapter of our lives, in many ways it is a very exciting time.

I want to wish you and your families the very best for the year ahead. This wish includes success, health, and happiness. I also pray that you and your families receive God's richest blessings.

God bless you all at this wonderful time of the year.

George Elliott.
