## NEW TRAINER

In our 22 May edition of this newsletter we announced two job competitions; one for an Instructor and one for a Dispatcher. While the selection process for the Dispatch positions is still ongoing, we are happy to announce that Art Mathews has been offered and accepted a full time position as an Instructor at our new training academy.

Of the initial 10 applicants for Instructor, 5 members went on to the interview stage and 4 were asked to continue to the final selection event and present a "class" on a topic of their choosing. A "merit list" of those four individuals will remain valid for the next six months and will be used to select other Instructors from should the positions become available.

Art will be starting at the Academy on Friday 11 Jul 08. He will face his first CQC as an Instructor "under training" the following Monday when CQC 2008-6 starts. We wish Art much success in this new and challenging role.

Welcome aboard!

## Golf Tournament

Read the poster on the reverse and start making your plans. Further information will follow. This years coordinator is Rob Stewart, he is available to answer your questions at 942-5993 Ext 2210.
