Congratulations to Commissionaire Tom Flanagan from 1 Canadian Air Division, Canadian Norad Region Headquarters, who received a Certificate of Appreciation. This honour was presented by the Commanding Officer of 1 Canadian Air Division, LCol G.J. Danylchuk, on Friday, November 13, 2009. Below is an excerpt of the certificate explaining what Commissionaire Flanagan did to receive this accommodation.

On Friday, 13 March, 2009, Commissionaire Tom Flanagan, in the best traditions of the Canadian Forces, came to the aid of one of our military members who was on the ground, in an incoherent and non-responsive state, in the vehicle loop located in front of Building 25. Immediately taking responsibility for the situation, Commissionaire Flanagan assisted this member to the guardhouse at Air Force Way ensuring his safety from the deceptively slippery conditions underneath a light covering of snow, thereby preventing any further injury. The member was subsequently transported by the Winnipeg Fire and Paramedic service to the Grace Hospital where it was determined that this member had sustained significant head injuries as a result of his fall.

Commissionaire Flanagan is to be commended for his quick response and assessment to a potentially dangerous situation. His actions, at the very least, mitigated further injury to this member and quite possibly saved this member's life.

Great job Commissionaire Flanagan!

We received a letter from Harry Lazarenko, Speaker of Council from the City of Winnipeg, Councilor's Office. He wrote in to commend the actions of Chief Warrant Officers Terry **LeBlanc** and **Joe Mallet** from City Hall.

As you may have heard in late December, at the last city hall meeting before adjourning for the holidays, a man walked into city chambers with a bottle of kerosene. CWO LeBlanc took the bottle of kerosene away from the man and CWO Mallet assisted to escort the man out of City Chambers.

Please read the letter below...

As Speaker of Council, I would wish to express my gratitude and the gratitude of all of Council for your actions in regards to the incident that occurred during the Council Meeting on the morning of December 16, 2009.

Together with your fellow commissioner, Joe Mallet, you quickly addressed a potentially volatile and dangerous situation and took proper actions to ensure the situation was contained and that no injuries occurred.

Your actions exemplified the true meaning of service to others, in that it was clear that you ensured the safety of those around you.

My sincere thanks to you and your fellow Commissionaires for the great work you regularly do in ensuring the safety of Elected Officials, City Staff and the Citizens of Winnipeg who attend City Hall.

Harry Lazarenko, Speaker of Council
