FIRST AID TRAINING FOR OUR FAMILIES

The Division is pleased to offer a Red Cross Emergency First Aid / CPR Level A course for the families and dependents of all Commissionaires. The one-day course will focus on emergency situations that our families may encounter on a daily basis. It also includes CPR and the use of the automatic emergency defibrillator (AED).

This course will be offered free of charge in order to say "Thanks" to our families for their ongoing support. All training materials, diplomas, and a sandwich lunch will be provided by the Division. Limited off-street parking is available.

The course will be held on Saturday, the 20th of March at the Commissionaire Security Guard Training Academy, located in the Sherbrook Heights Shopping Plaza at 83 Sherbrook Street, 2nd floor, unit 207. Training will start at 0900 and be completed by 1630.

Class size is limited to 12 so please reserve your seat(s) as soon as possible. For additional information or to reserve a seat call:

Flo Bambenek was an employee of 1 Canadian Air Division/ CANR HQ for over six years, she has just recently retired from her position as human resources advisor.

While Flo was making her retirement speech the first people she thanked were the Commissionaires at the front desk of 1 CAD Air Div.

She stated that there were days that she just didn't want to come into work and when she came in and seen the smiling faces and always a good morning or a hello or even a joke, it made a lot of difference to her and she thanked each of the Commissionaires for it!

Sgt Wanda Stewart and her crew at 1CAD demonstrate what Quality Customer Service really means. Well done Wanda!

“Commissionaire Committee Membership”

As mentioned in my article in the Winter 2010, *Buffalo Chips* the election of new members of your committee is almost upon us. If you would like to volunteer to serve your fellow Commissionaires or to nominate someone for membership on the committee I encourage you to do so by providing that information, in writing, to Peter Paterson (clntsvc@commissionaires.mb.ca or local 3224) ASAP but no latter than 1 Mar. All nominees will be contacted to ensure their willingness to serve. To date we have received no nominations.

Ideally, the committee has at least five members and is representative of a cross section of our membership. Currently, the committee has a Chairman (George Osicki) and two members (Brien Buie and Bruce Taylor). Clearly this is insufficient to constitute a representation of our total Commissionaire population. Please take a look at Chap 3, Section 8 of the HR Manual or feel free to contact any of the members of the committee for more information. We need your participation to improve!
